

INCOME GUIDELINES FOR PENNSYLVANIA WIC
Effective Date: July 1, 2017

Income eligibility standards are effective for certifying all new applicants, and for recertifying current participants at the time of their next certification on or after July 1, 2017. The expected number of babies is counted in the family size for WIC.

Current income guidelines for Healthy Beginnings (HB) and Healthy Beginnings Plus (HBP) are the same as WIC income guidelines. Refer potentially eligible individuals to these programs.

*Please note that the MIS will only take into account the annual figure when calculating income and the monthly, twice-monthly, bi-weekly and weekly figures are just an approximate.
